

ADK Series

ADK high precision balances are built for heavier samples, with a durable cast aluminum base, a generous weighing pan and a clear LED display for high visibility.

The latest generation of ADK balances have more features for unmatched value in this class. Now with even more weighing modes and units the ADK is the best machine for precision weighing of heavy loads.

- **Smart design** With the durable 13.4" x 11.8" stainless steel pan, the ADK has ample room for weighing larger samples. Adjustable feet and level bubble provide better readings. The balance body is made from tough ABS plastic for durability.
- **Quick and easy operation** Calibration with just one key press to ensure consistently accurate readings. Features color-coded keys for faster zeroing and taring.
- **Wider selection of units and modes** Unit choices include grams, ounces, and pounds. Use the ADK for heavy capacity weighing, parts counting, percentage weighing, and animal weighing.
- **Safety built in** In-transit protection device and overload stops make the ADK suitable for both industrial applications and laboratory use.
- **Connectivity and below balance weighing** A bi-directional RS232 interface is included for communication with a printer or computers. Choose the optional hook for density determination (below balance weighing) measurements.
- **Plus these standard features:** Simple set-up and operation, splash-proof keypad, full-range tare, and selectable 115v or 220v power.
- **Quality you can trust** For over thirty years professionals world wide have been using Adam Equipment balances with confidence. The ADK is backed by a two-year Adam warranty. ISO 9001:2000 certified company.

| Model | ADK 10 | ADK 20 |
|---------------------|-----------|-----------|
| Capacity | 10000g | 20000g |
| Readability | 0.1g | 0.1g |
| Linearity | 0.2g | 0.2g |
| Repeatability (s.d) | 0.1g | 0.1g |
| Weighing units | g, oz, Lb | |
| List Price | \$1750.00 | \$2000.00 |

Key Accessories

- Weigh below hook - \$25.00
- Thermal printer - \$360.00

Common Specifications

- Overall: (w x d x h) 12.4" x 18.1" x 6.5" / 314 x 460 x 134mm
- Pan size: 13.4" x 11.8" / 340 x 300mm
