

# ProFIT Series (UC-321S)

## PRECISION HEALTH SCALES

.... FOR HOME, ATHLETIC & PHYSICIAN USE

Portable

10 times more accurate  
than a conventional  
bathroom scale

3 year warranty

Large 1" display

350lb x 0.14lb capacity

Sleek low profile, only 1.4" tall

Works on carpet

One button operation  
(Finger or toe)

## Features

- **Target Weight Function** – automatically calculates difference between desired & actual weight
- **Body Mass Index** – automatically calculates BMI using weight-to-height ratio.
- **Uses 4 "AA" Batteries** – automatic shut off
- **Model UC-321PS includes RS-232C** – computer interface for data collection into Windows software applications.
- **31 Measurement Memory** – calculates difference between previous & current weight. Easy to recall one month history of weight data
- **Easy, Safe and Accurate**
- **Baby or Animal Weighing Scale** – Weigh yourself first, step off scale, press control button. When you step back on the scale with baby or animal, scale will show the actual weight of just the baby or pet.
